01 · THE MEME

Meet Pup.

A sleepy Shiba with one rule: never sell red.

Born in a Solana TG at 3am

A sticker of a dozing Shiba went viral during a -40% day.

Sleeps through every dip

Diamond paws by doing nothing — the laziest flex on-chain.

Wakes up for green candles

Every pump = a new “Pup woke up” meme. Infinite content loop.

Three catalysts, one sleepy dog.

1

SOL meme season

Solana DEX volume and new-wallet counts lead every chain for memes; attention is here.

2

Dog meta never dies

DOGE → SHIB → BONK → WIF. Each cycle crowns a new dog. Pup is the sleepy one.

3

Fair-launch fatigue fix

Holders are tired of insider bags. 0 presale, LP burned, authorities revoked.

No presale. No insiders. No rug levers.
